

Quentin ACHER
French
Born the 22/10/2000
in Niort 79000 - France

quentin.acher@inria.fr

Profil

Computer science Phd student at INRIA
Nancy, interested in practical and
theoretical computer science.

Langage

French: Native language
English: Intermediate level
German: Scholar

Center of interest

optimisation of systems

Algorithmic

Spare-time

- Sport
 - Running
 - Climbing
 - Swimming
- Music on Digital Audio Workstation

Experiences

2023 02-07	Master Internship, mutable data management in a peer-to-peer network Inria Nancy, Team COAST
2022 05-07	Abroad Internship about writing and reading cache in a Non-Volatile memory Neuchâtel, Switzerland
2022/2021	Research project about interruptible systems energy consumption Inria Rennes, équipe PACAP
2021	Internship discovering the research about gradient learning CentraleSupélec Rennes, Team FAST

Study

2020-2023	Computer Science Magistère - L3SIF Computer Science Fundamentals, Programmation Algorithmic, Distributed Algorithm, Network architecture, Statistic, Image Generation, Image Treatment École Normale Supérieure, in Rennes - France
08/2019	Linguistic trip in Malta, Studying English in International House of Malta.
2017/2020	Preparatory classes MPSI then two year of MP* with the option computer science Lycée Camille Guérin, Poitiers
2017	High school diploma in sciences With honors Speciality science of Engineer Option computer science and science of numerical

Programmation

Languages I know well:

- | | | |
